PROFILE

I am a college teacher with over 30 years' experience teaching and developing curriculum in professional writing, rhetoric, gender studies, information literacy, and digital media. I have taught college students of all skill levels and backgrounds and earned numerous teaching awards. I am widely regarded by my students and colleagues as a creative, well-organized, and student-centered teacher. In addition to teaching, I have experience as a writer, editor, and creator of digital stories. In all my professional work, I deliver on a strong commitment to collaboration and equity.
